From the Front Desk

Automatic Doors

If you need to set the front doors of the Clubhouse to stay open for any reason, please set them back to AUTO when you're done. Many residents depend on the automatic doors, and there have been several instances where they have been turned off.

News & Announcements

Attention Ladies!

On the fourth Saturday of each month (except December), the ladies of Golden Spike enjoy "Ladies Lunch Out." The sign up sheet for this event is on the table in the Clubhouse. All ladies from Golden Spike are welcome to attend. However, before you sign up, please check your calendars to make sure you will be able to attend. We have had recurring instances of ladies signing up and not attending.

If you do sign up and are not able to attend - things do come up - please have the courtesy to let the monthly hostess know so she can adjust her reservation accordingly. This will enable the restaurants to allow for the needed space and know how much, if any, extra wait staff will be needed.

Thanks for your cooperation in this area. We look forward to seeing you all in February at The Old European Breakfast House!

Come Out to the Movies!

Do you think the bi-monthly Tuesday movies are all about chick flicks? Do you think that because it's February, we're going to cater to that genre? Think again! This month we're featuring science fiction and racing history. We know it's dark and dreary outside, but that's all the more reason to come to the Clubhouse for some entertainment! Check out the movie details on the back page, and we hope to see you on the 11th and the 25th.

Wood Carving & Wood Burning Group - Temporarily Suspended

The Wood Carving & Wood Burning activity that has been meeting every Friday at Lynn Vierling's garage has been temporarily suspended. Stay tuned for more information.

Tiffany Out of Office

Tiffany will be out of the office for the first couple weeks of February for medical reasons. She is planning to be back in the office on Monday, February 17th.

Discussion Group

The recently formed Discussion Group, hosted by Ellen Larsen, will be meeting this month on Monday, February 10th, at 2:00 p.m. in the Billiards Room. Please note that this is a different day and time from previous meetings. One of the items that will be discussed is settling on a schedule that works for everyone.

This is an open group - all are welcome to attend any or all of the meetings, but if you'd like to help decide on the topics to be discussed, make sure you attend the meeting this month. You will be asked to describe your expertise, hobbies and interests. From those the group will choose topics to hear about or discuss, and a schedule of topics will be created and distributed to the community.

The topics already under consideration are:

- Local geology
- Meditation
- National Parks
- Foreign travel destinations or experiences
- Plans for our Highway 41
- Interesting facts that you have encountered recently
